A Newly Built Fully Accessible Specialist Disability Accommodation (SDA) in Beverly Hills

NDIS FUNDING REQUIREMENT:

- SIL (Supported Independent Living)
- STA (Short Term Accommodation)
- MTA (Medium Term Accommodation)

FEATURES:

5 Bedrooms | 1 Home Office | 2 Bathrooms

- On-site registered nurse providing professional supervision
- Qualified bilingual disability support workers onsite 24/7
- Successfully passed the high intensity personal care NDIS Practice Standards
- Providing supported accommodation services to people with disability
- Outdoor entertainment area with BBQ facility
- Close to community organisations, hospitals, local parks, and other service facilities
- Full-size bathrooms and fully furnished shared spaces

CASS Disability Services offer culturally and linguistically appropriate care and support, including meal preparation, mealtime management, personal daily living assistance, arrangements for medical appointments, medication supervision, and leisure activity arrangements for individuals with disability who require accommodation support.

The dwelling has separate living, dining, and outdoor shared areas, allowing you to maintain your independence and privacy while also providing opportunities to socialise with your housemates when you feel comfortable.

For more information or to book a site visit, please feel free to contact us!
